The Extraordinary Subterranean Rallway. The new act for making a railway from the northwestern district of the metropolis to Battlebridge Saturday we corrected certain rumors as to the has been printed. This anxiously looked for statute views of the Secretary of War relative to the New to supercede the metropolitan streets and roads con-

York difficulties, and his feelings towards the prominent men engaged in them. We used these words: way commencing at or near the south end of Westbourne terrace, Paddington, and terminating at or near Battlebridge by a junction with the intended line of railway from Battlebridge to Holborn. The company is authorized to interfere with the several stored within three months after it is broken up. and no streets to be interfered with after the expiration of two years from being first broken up. At the expiration of five years from the passing of the act the powers granted to the company for executing the railway, or otherwise in relation therete, are to cease to be exercised, except as to so much of the railway as is then completed. For securing the undertaking £22,500 have been deposited in the cours of chancery. Before the Newroad, Marylebone, or any of the streets, are interfered with, a sum of £16,000 is to be deposited with the parish. The

> London Economist. The Poor Girl " Above Housework."

We clipped from an article upon female employment (in a Worcester paper we think it was) the following remarks, which are well worthy every young laboring American woman's attention It is a description of the toil of one who was "above housework" "Seated in a close room, amid a bevy of a dozentwenty or forty poor white slaves just like her: she stich-stitch-stiches away at the same everlasting task, in the same unwholesome room, the same unnatural position, and in the same eternal-monotonous

tolls are set forth in the act and other particulars

connected with this extraordinary railway.

round-week after week, month after month, and year after year; until, when health is gone, and deformity come; eyesight failed, and spirits broken; she at length finds herself a poor, withered, broken down creature, returning to spend among the friends of her youth the miserable remnant of her misapplied strength. Let us compare the rate of remuneration. The 'servant' has earned, beside her comfortable fiving, at least a hundred dollars the year, besides presents which good girls are sure to receive, and may accept without any sacrifice of a proper pride; and which have nearly, if not quite sufficed to clothe her. But she has earned infinitely more than this: she has preserved unimpaired a good constitution, a clear eye and erect form: has grown into robust womanhood in a healthy employment, and in a few years, has laid My Dear Sir :- I have not seen the publication in by a comfortable little fund to aid a good husband, or the Herald to which you refer, and which, if seen, as a provision for old age. On the other hand, our poor vest maker, or shirt-maker, has earned by the not been dignified by the attention of some one exhausting toil we have described, her forty or fifty cents per diem : her two dollars and a half, or three dollars per week : nearly every dollar of which she is dence in me, I reply that you have not, in this in- compelled to spend for the meagre fare upon which
